

BUSINESS DEVELOPMENT EVENT

LONDON EAST – BARKING, ILFORD & WALTHAM FOREST –

HAVERING AND SOUTHEND BRANCHES

Dear Member,

I have great pleasure in announcing a joint four branch Business Development Event, to which the organisers have invited a number of key business partners to take a promotional stand.

I am advising you early so you can hopefully reserve the date in your diary to ensure you don't miss it.

We hope you will be able to join us that evening, full details are below. This not only to meet the business partners and see what special offers they have on the night, but also to meet socially with colleagues and friends from this great trade of ours.

There is also sponsored catering, which means you can have a complimentary meal when you are at the event.

This joint branch event formula has proved very successful in other parts of London and we are sure with your valued support, this event will be just as good.
